Complete College Courses From Home

Visions has been providing distance learning for 25 years. Students can focus on their goals while completing classes online. We offer three distinct pathways, Associate Degree (AA Degree), Certifications, and A-G completion, through our Early College program which combines high school courses with college courses to maximize students' options after graduation.

100% Free Public School

Our students receive tons of free support. Our teachers meet with students virtually and school work is completed in our online learning system. We offer counselor support, virtual high school classes, events, student clubs, student leadership, and much more to create a flexible high school environment where students can discover their learning style and thrive.

We're An Online Public School With Perks

Our University Prep Early College program offers students maximum flexibility in their education.

Flexible Schedule

Allows students to personalize their weekly schedules

\$1,500

For curriculum, activities, projects and community college materials

Teacher Support

Our teachers provide individualized student support

- ✓ Curriculum includes A-G courses that are required for college admission
- ✓ FREE Chromebook for every enrolled student
- ✓ 24/7 Online Learning System
- ✓ Virtual classes with other students
- ✓ Events and social activities including writing classes, dances, field trips, student clubs and more
- ✓ Opportunities to complete an AA degree or Certificate while still in high school
- ✓ Free online and in-person tutoring and mentoring programs
- ✓ Free counselor support, college tours, mental health resources and Career Technical Education options
- ✓ Annual Learning Assessments to help build students a personalized learning plan

Support Services

Learning at home doesn't mean missing out on dances, clubs, in-person events, field trips or community college. At Visions, the extra flexibility in your schedule gives you more time to expand your education!

Student Clubs

We have over 50 clubs for students of all ages to choose from. We have something for everyone, including art, soccer, Black Student Union, basketball and more!

"There's so much focus in education on a student's cognitive ability ... but when it comes to who they are that's often overlooked. We really hone in on the whole person." - Brittney P., Visions teacher.

In-person Events

To give our students and families more opportunities to connect we organize free in-person events for all grades throughout our service area.

Enrichment Vendors

Choose from hundreds of approved vendors and use your student budget to learn coding, karate, horseback riding and more. You can also take driver's ed!

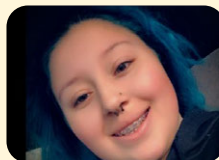

Mentoring & Writing

Students can join our S.T.E.M. mentorship program with UC Davis to prepare for life after high school. We also offer a creative writing program with 916 Ink, where our students become published authors.

Career Technical Education

Visions partners with local community colleges to offer Medical Careers, Game Design and Cybersecurity pathways.

"Visions helped me figure out what I wanted to do with life," says Alyssa, who took advantage of the Medical Careers Pathway.

Community College

Many California community colleges offer FREE classes to high school students and Visions helps cover costs for materials and textbooks.

Mental Health

Visions In Education focuses on the wellbeing of our students. Not only do we provide a personalized education but we also offer services to help students manage their mental health.

Services

Visions is partnered with **Care Solace**, a free online coordination tool that connects students and families with mental health services in their community.

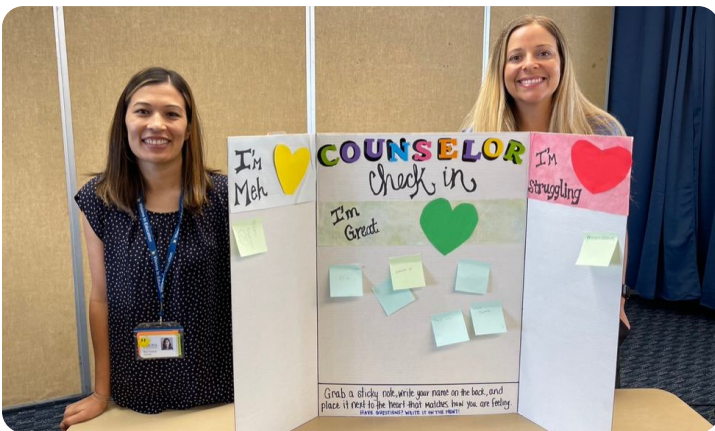

Supportive Staff

We have a full team of **15 counselors, 5 social workers and a Foster and Homeless Liaison** to support our community. This team also organizes online classes and workshops.

Resources

Students have access to tons of digital wellness resources on topics like coping skills, personal growth, dealing with crises and more. Visions also offers a “mobile library” that is brought to our in-person events and a “virtual calming room”.

“Visions allowed me to create my own schedule and feel a lot more at ease. Looking back this [choice] improved my mental health.” - Tarig E., Visions Graduate.

Did You Know?

At our June 2024 graduation we offered a **Wellness Room** for students who needed a quiet place to process their feelings.

Student Success Stories

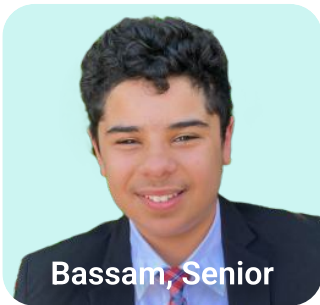

Ashlynn, '24

School For You

"What drove me to switch to Visions In Education was the flexibility. I can better flex with my other commitments and create a balanced routine to be able to achieve my goals. I love the school and the many ways I can get involved."

Bassam, Senior

Flexible Schedule

"[Visions] offers much more than any other high school. The schedule is very flexible and not as rigid as other schools. I like [my] Directed Project and working on my own passion projects for school credit."

Korvus, '24

Safety To Learn

"We put in an application at Visions and I've never felt such a stark transformation in my life. Finally I had teachers that were there to listen and help. I soared academically because people were teaching me in the unique way that I learned. I was able to show everyone that I was a good student, I was intelligent and I was able to learn with a developmental disability."

Zac, '20

Realizing Music Dreams

"If you just put your mind to it, you're gonna get it done. There's no way I would have been able to do all this stuff in a conventional high school."
